Dear Mr. Winn,

In recognition and appreciation of all the hard work, skill, and cooperation from everyone involved in the design and construction of Sandler Center for the Performing Arts, Clancy & Theys Construction Company would like to share the enclosed photographs.

Since opening night on November 3rd, 2007, Sandler Center for the Performing Arts has received great reviews from patrons, local media, performers, and the city of Virginia Beach. The successful completion of this complex project is the direct result of the team-effort of everyone involved.

We sincerely appreciate the contributions made by all members of our team and share the satisfaction that follows the completion of a wonderful building that all can enjoy.

Sincerely,

CLANCY & THEYS CONSTRUCTION COMPANY
